1. INTRODUCTION

Central Tool Room & Training Centre (CTTC) Bhubaneswar has been set up by Govt. of India in collaboration with Govt. of Denmark and Govt. of Orissa as a Govt. of India society under Ministry of MSME. The Training activities in the Centre are continuing since October 1991 and the Centre is conducting Diploma Training Courses in Tool & Die Making of 4 years duration & 3 years Diploma in Mechatronics in addition to various short term training courses in Tool Engineering and CAD/CAM, Industrial Automation etc.

4 years Diploma Course in Tool & Die Making & 3 years Mechatronics Course have been recognized by All India Council for Technical Education (AICTE), Govt. of India.

2. Facilities available in the Tool Room.

The Training and Production Wings of the Tool Room are equipped with comprehensive range of State-of-the-art latest imported and indigenous machines including CAD/CAM and specialised CNC Machines like CNC Lathe, CNC 3-D Coordinate Measuring Machine, CNC Milling, CNC EDM-Spark Erosion, CNC Wirecut, Jig Grinding, Vacuum Heat Treatment facilities etc. The Tool Room is also equipped with Modern class rooms and teaching aids & DSP, Hydraulics, Robotics, Industrial Automations, VLSI, Embedded System Labs.

3. How to apply for Diploma in Tool & Die Making / Diploma in Mechatronics

For offline Application :

The application in the proforma prescribed should be filled in by the candidate's own handwriting and addressed to the General Manager, Central Tool Room & Training Centre, Plot No. B-36, Chandaka Industrial Area, Bhubaneswar-751024. Application form submitted should have the superscription on the top of the envelop as "Application for Diploma in Tool & Die Making / Mechatronics".

For online Application :

The application in the proforma prescribed should be filled online. After filling up the mandatory details & uploading their photo in the application form, candidates are required to make the payment online, sign the declaration at the end and upload an image file of their left hand thumb impression and submit online. To apply, visit the link www.cttc.gov.in. The exam will be held on 09.06.2024 .

All the candidates applied for Diploma Course in Tool & Die Making / Mechatronics in the prescribed form will be called for Written Test to be held at

Bhubaneswar at their own costs. Application received late/incomplete shall not be considered & Centre shall not be held responsible for none/late receipt of applications due to postal delay. Application sent by fax/e-mail shall not be entertained.

4. Students awaiting their result of qualifying exam. (10th or equivalent) can also apply and sit for entrance test. However, they have to produce result at the time of admission.

5. **Number of Seats**

Intake capacity for Diploma in Tool & Die Making / Mechatronics is as follows:

Name of Course	Intake	Gen.	SC	ST
DTDM	60	46	9	5
DIM	60	46	9	5

Note: 10% of the intake i.e. 6 Nos. in each discipline will be added extra for EWS category subject to the approval of AICTE.

TRAINING

- 1.0 These rules shall apply to all the trainees admitted to the Training Course for Diploma in Tool & Die Making / Mechatronics at the Centre and shall come into force with immediate effect.

2.0 **Definitions: In these rules and regulations**

- (i) 'Centre' shall mean Central Tool Room & Training Centre, Bhubaneswar.
- (ii) 'Council' shall mean the Governing Council of the Centre.
- (iii) 'Chairman' shall mean the Chairman of the Governing Council of the Centre.
- (iv) 'General Manager' shall mean the General Manager of the Centre.
- (v) 'Senior Manager (Training)' shall mean the Senior Manager (Training) of the Centre or any other officer looking after the duties of the Senior Manager (Training).
- (vi) 'Course' shall mean Training course of the Centre leading to "DIPLOMA IN TOOL AND DIE MAKING / MECHATRONICS".

3.0 **Duration**

The duration of the Course shall be 4 years divided into 8 semesters, in case of DTDM & 3 years divided into 6 semesters for Mechatronics. The exact date of starting the course shall be decided by the General Manager. No trainee shall normally be allowed to join late. Under exceptional circumstances, however,

General Manager may allow trainee (s) to join late, not more than 15 days, but the period of delay shall not be compensated by any extra period of training. However, the trainee (s) shall put in extra efforts to make up for the time loss.

4.0 Eligibility for Admission

Candidates having the following qualification shall be eligible for admission to the course.

- i) Matriculation (10th) or equivalent examination from a recognised Board with Mathematics and Science (Physics or Chemistry or Both) with Minimum 50% marks (40% in case of candidates belonging to Scheduled Caste / Scheduled Tribe) in aggregate.
- ii) The candidate should have attended the age of exactly 15 years but should not be more than exactly 19 years as on 1st July in the year of admission (relaxable to exactly 22 years in case of candidates belong in to SC/ST). Not even a single day more or less will be allowed from the two extremities of the age. Once the date on which age of candidate is counted for determining their eligibility is fixed and notified, it shall not be changed even if the date of starting of the course is advanced or deferred for any reason whatsoever.
- iii) Candidate should not be studying in any other course or undergoing any other training at the time of admission.
- iv) Candidates identified EWS & whose family income has gross Annual Income below Rs. 8 lacs shall be covered under the EWS Reservation subject to production of income certificate from Competent Authority. There is no relaxation in course fees. Candidate has to pay course fees like general candidate.

5.0 Method of Selection

Selection will be made based on an Entrance Examination. Written Test shall be conducted for 2 hours consisting of two parts i.e. Part-I and Part-II. Part-I will be objective type consisting of 60 Nos. of questions of 10th standard and from 03 subjects (Mathematics - 20, Physics - 20 and Mental Aptitude - 20). Each correct answer shall fetch 1 (one) mark but for every wrong answer ¼ mark shall be deducted. Part-II will be of subjective type/ fill in the blanks with 10 questions each from Mathematics and Physics and each question shall carry 2 marks.

The result of the Written Test shall be declared by 7 P.M. of the next day of the Examination day. A merit list will be prepared based on the marks secured in the written test and final selection will be done on merit. In case there is a tie in marks secured candidates with higher marks in Part-II of the Examination will be preferred. The result shall be displayed on the notice board of the Exam Centre & at CTTC, Bhubaneswar and also shall be published in the website www.cttc.gov.in.

Counseling for the selected candidates will be conducted at CTTC, Bhubaneswar. The seat will be allotted as per the choice of the candidate for 4 years Diploma in Tool & Die Making or 3 years Diploma in Mechatronics while counseling on merit basis. Seat allotted for DTDM or Mechatronics course at the time of counseling shall be final and no further request for change shall be entertained.

Reservation shall be made for candidates belonging to Scheduled Castes/ Scheduled Tribes as per rules of the Centre, who will be selected in order of general merit, against reserved seats. If any SC/ST candidate is selected on merit in General Category his name will be published in General Category list.

6.0 Security Deposit

The selected candidates will have to make a Security Deposit of Rs. 5000/- at the time of admission. This deposit shall be refundable on completion of training after deduction of any dues to the Centre or Hostel Committee or both without any interest. In case, a trainee leaves the course in between the above deposit will be forfeited.

7.0 Course Fees

The trainees admitted to the course shall pay course fees @ Rs. 21,000/- per semester. The fees are required to be paid at the beginning of each semester, every year. For Diploma in Tool & Die Making fee for the 7th & 8th semester should be paid at the beginning of 7th semester, which is not applicable for Diploma in Mechatronics. The fee may be revised by the competent authority from time to time.

Reservation as per rule 22.5% seats are reserved for SC/ST candidates for whom no course fee will be charged subject to production of two self attested photo copies of Caste Certificate and copy of Aadhar card which are mandatory. However, all other fees/deposits is to be paid in case of admission. Caste Certificate in original from competent authority is to be produced for verification at the time of admission which may be re-verified from the issuing Authority.

8.0 Apron & Uniform

The trainees will have to get the uniform dress and apron stitched at their own cost as per the colour and design specified by the Centre.

9.0 Vacations : 20 days per Semester or 40 days per Year.

10.0 Leave

- (i) A trainee who is injured due to an accident during his training at the Centre and is unable to attend to his training on account of that, shall be allowed leave, provided it is certified by such medical authorities as may be specified for this purpose by the General Manager that he is unable to attend training on account of that injury.

- (ii) No other leave as excepting otherwise provide in this rule shall be permissible, even on sickness, to the trainees during the course. Any other period of absence, including late coming or any other commission misconduct or otherwise shall be treated as absence from training for the purpose of compilation of requisite percentage of attendance for eligibility for appearing in Semester Examination/Final Examination.

11.0 Risks and Hazards

The Centre shall take all precautionary measures with regard to safety. However, the Trainees should decide to join the course at their own free will and at their own risk. In case of any injury or any disablement (temporary/permanent) suffered by the trainees during the course due to any accident or otherwise the Centre shall not be liable to pay any compensation whatsoever. The trainees and their guardians (in case of minors) shall indemnify the centre on this account. Without prejudice to the above condition of engagement of trainees at the Centre, the trainees may insure themselves against the risk of accident and/or other industrial hazards for their engagement at the centre as trainees for which insurance premium shall be paid by the trainees themselves. On the specific request of trainees, the Centre can arrange group Insurance subject to the premium for this being paid by the trainees.

12.0 Syllabus and Assessment

The syllabus for the course, theory as well as practical shall be as given in Appendix-I & II. The scheme for assessment of the progress of trainees through Semester Examinations leading to the award of Diploma Certified by the Centre shall be as given in Appendix-III. Certificates on completion of training shall be issued only to those trainees who complete the training course and reach the level of proficiency as stipulated therein.

13.0 Attendance, Time Keeping and Conduct

The rules and regulations governing attendance, uniform and conduct of trainees during the training course shall be as given in Appendix-IV & V.

14.0 Termination of Training

- (i) During the course of training the trainees shall strictly abide by the Rules and Regulations of the course and any other instructions issued by the General Manager, Senior Manager (Training) or any other official authorised to issue such instructions from time to time.
- (ii) Violation of any Rules and Regulations and/or any instructions by any trainee(s) shall amount to misconduct in terms of the aforesaid Agreement and Surety Bond and the training of trainee(s) may be terminated and the Surety Money shall be realised from the Surety and/on trainee(s) in terms of the Surety bond as aforesaid.

- (iii) If any time during the course of training, it is observed that the conduct/ activity of trainee(s) go against the smooth conduct of the training programmes or any other activity or is otherwise detrimental to the interests of the Centre, the training of the trainee(s), may be terminated without notice and without assigning any reason. The decision of the Senior Manager (Training) or any other official looking after his duties in this regard, shall be final and binding on the trainee, his Surety and Guardians.

Competent Authority to take action under this Rule shall be Senior Manager (Training) or any other officer looking after his duties. The appellate authority in this case shall be the General Manager.

15.0 Power to amend/Relax the Rules

These Rules including fee structure are subject to change and Amendment/ Relaxation in the Rule(s) can be made by the Governing Council or its chairman or any of its delegated authority on any point of time.

16.0 Application of other Rules

Such of the rules and regulations which have not been referred herein or other decision of the Governing Council of the Centre shall apply to trainees of the course except where said provisions have become repugnant due to any provision laid down in these Rules and Regulations.

17.0 Repeal

Any rules and regulations corresponding to these rules and regulations in force immediately before the commencement of these rules & regulations and applicable to trainees to whom these Rules and Regulations apply, hereby repealed, provided that any order made or action taken under the rules and regulations so repealed shall be deemed to have been made or taken under the corresponding provisions of these Rules and Regulations. All admissions made prior to coming into force of these Rules and Regulations shall be deemed to have been made under these Rules and Regulations and all the present. Trainee shall be governed by these Rules and Regulations. However, trainees enrolled under old scheme will be allowed three supplementaries to be conducted after six months along with the trainees under new scheme of Semester system.

Instructions for marking Answers in the Entrance Exam (Part-I and Part-II)

The candidates are provided with one question paper and one answer sheet containing total 60 questions for Part-1 and one Question-cum-Answer Sheet for Part-II Exam. Write correctly you ROLL NO & DATE and put your signature on the answer sheet in the provided space using ball point pen only in Part-I & Part-II.

Part – I (60 Marks)

1. Each correct answer shall fetch 1 mark but for every wrong answer $\frac{1}{4}$ mark shall be deducted.
2. Part-1 questions are of multiple choice type. There are four options for each questions. In the answer sheet there are 4 answer ovals marked A,B,C,D at the top these ovals are to be darkened as per the following instructions.

Correct method of Marking Answers for Part-I

3. Use HB pencil for darkening the ovals against the right answer.
4. Do no use H/2H/3H etc. pencils. The mark made by such hard pencils, will be too light and will not be read by the computer.
5. Do not use a soft pencil like B/2B/3B, etc. The mark will be too dark and if you want to change your answer by erasing the first one, there may be smudges or dark marks in and around the oval of the erased answer. The computer will read such markings as two answers and will give no marks for that answer.
6. Do no use ink pen or ball point pen to mark your Answers.

For example, if the answer to questions numbers 25 is 0, you should mark as follows.

Please note that the oval should be dark and should be filled in completely wrong methods of Marking Answers.

Some incorrect method of marking answers are shown below:

(Used of tick marks)

(Use of line marks)

(Darkening outside the oval)

(Use of cross marks)

(Half filled Marks)

(Multiple answer)

(Leaving some portion blank)

(Used of dot)

(Invalid mark outside the oval)

How to change you answer: If you wish to change answer, ERASE completely the already darkened oval by using a good quality eraser and darken the new oval indicating the new answer. Do not darken more than one oval. If more than one oval is darkened the new answer will be counted as wrong by the computer.

Part-II (40 Marks)

1. Part-II will be of subjective type / fill up the blanks. With 10 questions each from Mathematics & Physics and each question shall carry 2 marks.
2. Do the necessary calculations if required on the backside of Question-cum-Answer Sheet & write only answer in the blank given in question paper.

HIGHLIGHTS

1. Hall tickets may be collected in person after closing date (First two days)
2. Hall tickets will be posted in ordinary post only. In case if anyone not received, they may collect duplicate Hall ticket from Centre before two days of Entrance Examination by producing one more photograph. No documents except photo is required along with application form.
