

Course Name:- Handheld Products- HHP

Sl. No	Name Of The Course	Eligibility For Admission		Course Content
1.	Tablets, Mobile Phone, Smart Phone etc. (Handheld Products)- HHP	ITI in	Electronics Mechanics(EM)	44 days Technical Training at CTTC and 20days on site training at Samsung Service Centre
			Information Technology Equipment Systems Maintenance(ITESM)	HHP Basics,Near Field Communication,ESD, Basics Causes & Prevention,Mobile Phone Technology, Mobile Phone Technology, GSM System Architecture,Type of Mobile phone & Features,Smart Phone,Smartphone Features,Type of Sensor & Connectivity,Data Backup & Software Upgrade Options,Advanced Repair & Industrial Skills Enhancement,Software Upgrade Process,Troubleshooting,Microwave Oven Troubleshoot Parts and Circuit,Soldering Process,ELS & Basic Troubleshooting, Samsung Mobile Nomenclature, Repair Guide,Final Test Process
			Mechanic Radio & TV	
			Instrument Mechanics	
			Electrician	
			Mechanics Electronics Communication System	
			Mechani Mechatronics	
			Mechanic Industrial Electronics	
			Mechanic Computer Hardware	
			BBBT-Electronics	
			Medical Electronics	
			Digital Electronics	
			Mechanic- Consumer Electronics	
		Diploma in	Electronics & Communication Engineering	
			Electronics Engineering (Digital Electronics)	
			Electronics Engineering(Medical Electronics)	
			Electrical Engineering	
			Instrumentation	
			Mechatronics	
			Information
